PROGRAMME

08:15 Registration, networking breakfast and exhibitor visits

08:45 Welcoming Addresses

Baroness Jo Valentine, Chief Executive, *London First*

Sir David Veness CBE QPM, Chairman, Advisory Board, Security & Resilience Network, *London First*

09:00 KEYNOTE A – The Emerging Threat to Cities, Citizens and Corporations

Jamie Shea, Deputy Assistant Secretary General for Emerging Security Challenges, *NATO*

09:30 KEYNOTE B – Protecting Citizens: Boosting International Co-operation

Rob Wainwright, Director, *Europol*

10:00 DISCUSSION PANEL – What makes a city more resilient to future shocks?

- How can cities develop better forecasting and warning mechanisms?
- How can the integration of components lead to sustainability?
- How can we afford the required redundancy of resources?
- Is smart technology making us more connected or more vulnerable?

CHAIR: **Paul Taylor**, Head of Information Protection and Business Resilience, *KPMG*

- **Dr Pippa Malmgren**, Founder, *DRPM Group*
- **Nick Turner**, Managing Partner, *Stratforma Consulting*
- **Dr Robert MacFarlane**, Assistant Director, Resilience Training and Doctrine, Civil Contingencies Secretariat, *UK Cabinet Office*
- **Fola Ogunyoye**, Technical Director and Leading Professional for Flood Resilience, *Royal HaskoningDHV*

11:00 Coffee break, networking and exhibitor visits – *The Gallery*

11:30 KEYNOTE C – The New Power Brokers: Mayors and City Resilience

Cristiana Fragola, Regional Director Europe and Middle East, *100 Resilient Cities*

12:00 DISCUSSION PANEL – Who is best placed to deliver resilience?

- How do we reconcile the interests of a major city and national interests?
- Does a city need a resilience strategy and what is the role of business?
- Would devolved powers to city mayors help resilience?
- Is cyber resilience achievable for a networked city?

CHAIR: **John Rossant**, Chairman, *New Cities Foundation*

- **Professor David Gann CBE**, Vice President, Development and Innovation, *Imperial College London*
- **Dr Peter Rehwinkel**, Director and Founder, *International Disaster and Crisis Management*
- **Bob Kolasky**, Deputy Assistant Secretary, Infrastructure Protection, National Programs and Protection Directorate, *US Department of Homeland Security*
- **Andrew Cooke**, Client Director, Infrastructure, *Atkins*

13:00 Networking lunch, exhibitor visits and lunchtime briefings – *The Gallery*

13:30 Briefing 1 – Delivering Climate Resilient Cities – *Royal HaskoningDHV*

Briefing 2 – A SMART Approach to City Resilience – *BuroHappold Engineering*

Briefing 3 – Best Practices around Proactive Security – *Fidelis Cybersecurity*

PROGRAMME

14:15 KEYNOTE D – Urban Terrorism: The Tentacles of the Terrorist State

Richard Barrett CMG OBE, Senior Vice President, *The Soufan Group*

14:45 Being Resilient to Terrorism: CBRN Hardening of Cities

Hamish de Bretton-Gordon OBE, Managing Director, *CBRN*

15:00 DISCUSSION PANEL – How can business help deal with crises in cities?

- What role does business play in a city-wide, crisis-management response?
- Can a civil-defence organisation help prepare for and deal with major crises?
- How can resources be better invested in proactive rather than reactive measures?
- Does business have a role in offender rehabilitation and reintegration programmes?

CHAIR: **Dr John Arthur**, Director, *J Arthur Consult*

- **Simon Gilderson MBE**, Senior Director, *Alvarez & Marsal*
- **Dr Brooke Rogers**, Reader in Risk and Terror, Department of War Studies, *King's College London*
- **Richard Look**, Associate Resilience Consultant, *BuroHappold Engineering*
- **Julia Spain**, Chief Security Officer UK and EMEA, *Aon Risk Solutions*

16:00 Coffee break, networking and exhibitor visits – *The Gallery*

16:30 KEYNOTE E – Policing a Megacity: The Role of Law-Enforcement in Ensuring Resilience

John Miller, Deputy Commissioner, Intelligence & Counterterrorism, *New York City Police Department*

17:00 DISCUSSION PANEL – Is city policing too difficult to be left to police chiefs and politicians?

- What policing methods and reforms do modern cities need?
- With public resource constraints, can or should the private sector fill in the gaps?
- What strategic intelligence is needed for long-term planning?
- How can trust be maintained with growing wealth, social and ethnic divisions?

CHAIR: **Chris Donnelly CMG TD**, Co-Director, *Institute for Statecraft*

- **James Slessor**, Managing Director, *Accenture Public Safety*
- **Mark Easton**, Home Editor, *BBC*
- **Baron Paddick of Brixton**, *House of Lords*

18:00 Closing Address

Sir David Veness CBE QPM, Chairman, Advisory Board, Security & Resilience Network, *London First*

18:15 Drinks Reception – *The Gallery*

19:15 VIP Dinner (invitation only) – *Battlebridge Room*

Nemesis – Lessons from Brazil

Misha Glenny, Journalist and Broadcaster
